

## Sunday Fun

Illustrate the story here:

On Sundays, Gail visits her brother at his farm. Gail loves to go to the farm because there is so much to do. She starts the day in the garden. If it did not rain, she sprays the plants with water.

Then, Gail and her brother walk on the trail from the garden to the pond. As they walk, Gail hunts for snail shells. When she finds shells, she tucks them in her pocket. She will paint them when she gets home.

At the pond, her brother likes to fish. He strings bait onto his fishing pole and waits for a bite. While they wait, Gail plays in the mud and clay.

At the end of the day, they walk back up the trail to go home. As they walk, they see the sun set and the day fade away.
