

## Cruise Ship Trip

Illustrate the story here:

Drew and Marley were thrilled as they walked onto their first cruise ship. They had been packing for this trip for months. Their suitcases were so full they almost did not close. When they got to their cabin, they could see the vast blue sea from their window. “Look! It’s so pretty!” said Marley.

Drew and Marley were very hungry and thirsty. They went to grab a bite to eat and drink some juice. Drew drank apple juice while Marley chewed on some fruit. They watched the crew greeting everyone as they came onto the ship. The crew was so nice and happy.

“This is going to be a fantastic trip!” said Marley. “Yes, I think when we get back on Saturday, I will feel relaxed and refreshed!” Drew said as the ship’s horn blew. Honk! Honk! “And off we go!” Marley squealed. It was a dream come true.
